SUMMARY

Full Stack Developer skilled in HTML, CSS, JavaScript, Tailwind CSS, MERN stack, MongoDB, and Supabase. Experienced in building responsive web applications, developing RESTful APIs, and collaborating in agile environments.

EXPERIENCE

Frontend Developer

Intern

Indore, Madhya Pradesh, Zoro Innovations

- The internship provided practical experience relevant to my field, allowing me to apply theoretical knowledge in real-world projects.

Full Stack Developer | Excellup

Designing, developing, and maintaining the company website using the MERN stack to ensure responsiveness, security, and smooth user experience.

July 2025 - Present
, Balaghat , Madhya Pradesh

- At Excellup, I handle MERN stack teaching and project management, guiding students, reviewing projects, and ensuring timely completion.

Full Stack Developer | Intern

Connect Shiksha

January 2024 - March 2025, Balaghat , Madhya Pradesh

- At Connect Shiksha, I worked as a Junior Full Stack Developer on their e-commerce platform using MERN, handling UI/UX, payments, bug fixes, and Agile tasks.

PROJECT

Swad Nation | MERN

Built self-initiated Restaurant E-commerce projects using MERN stack to enhance frontend skills in JavaScript/React, DOM manipulation, and user interactions.

- [restrorent-frontend.vercel.app/](#) • December 2024 - January 2025

DND E-Shop | MERN

Developed a self-initiated E-commerce web application using React (frontend), Node.js/Express (backend), and MongoDB (database), strengthening full-stack development expertise and enhancing skills in user interaction and functionality.

- [ecommarce-frontend-nikhilwaghades-projects.vercel.app/](#) • October 2024 - November 2024

CERTIFICATIONS

Hackathon | State Level

I received the certificate from Sheriyansh Coding School in collaboration with Bansal College, Bhopal. • 2025

- This certificate showcases **my problem-solving, teamwork, and coding skills** in a competitive, real-world environment.

Web Development Course

Connect Shiksha • 2024

- This certificate is relevant because it strengthened my **full-stack web development skills**, which are directly applicable to building modern web applications and handling real-world projects.

Hackathon | State Level
